**PROVISION OF DIRECTORY DATABASE INFORMATION AND REAL-TIME ACCESS TO DIRECTORY ASSISTANCE DATABASE (Telecom Decision CRTC 95-3)**

**OTTAWA/HULL** -- This Decision, among other things, disposes of White Directory of Canada, Inc.'s application to review and vary Decisions 90-12 and 92-1. The Commission finds that it would be in the public interest to make non-confidential, residential listing information, unbundled on an exchange-level basis, available in machine-readable form, pursuant to the general tariffs of the telephone companies. In order to assist customers who wish to have their names and numbers removed from lists supplied to third parties, the Commission directs the telephone companies to establish a 1800 number and send a billing insert to all customers. Further proceedings are initiated in this Decision.
